In order to have your prior learning considered by CHA Learning, you must pay the \$195 PLAR application fee, and the following information must be submitted in addition to the general application documents required for the HIM program:

- Transcript clearly indicating successful completion of the course(s) and the final grade
- Course description and syllabus that include information pertaining to:
 - The school and program in which the courses were taken
 - Detailed topics of study
 - Course evaluation format (exams, assignments, projects, activities, etc.)
 - The number of course hours, if applicable

* Tuition for students with exemptions will vary depending on the course load carried.

Healthcare Experience Exemption

In order to have your non-healthcare professional work experience and post-secondary education considered, you must pay the \$195 PLAR application fee, and the following information must be submitted in addition to the general application documents required for the HIM program:

- A current version of your resume clearly indicating the professional work experience that you would like to be considered
- Transcripts from all post-secondary institutions attended

Important:

Only education completed within Canada, or its equivalent will be considered. If you completed your education outside of Canada you must verify and validate the education through services such as the World Education Services.

In order to further evaluate your professional experience, CHA Learning may request a telephone interview with you, or your references.
