

Empowering health professionals with the knowledge, skills and relationships to lead health system improvement.

CHA Learning delivers

- ✓ Online education
- ✓ Healthcare expertise
- ✓ Flexible programs
- ✓ Practical skills
- ✓ Leading practices
- ✓ Quality content
- ✓ Affordable solutions
- ✓ Canadian focus

“ I love the flexibility of the programs. I was able to work full-time and complete my studies at my own pace. All of my instructors were very helpful and knowledgeable, always offering good advice. I would recommend CHA Learning to everyone! ”

- Alumni (Food Service and Nutrition Management)

Vision

CHA Learning will be the centre for the professional development of leaders who, together, transform the health system.

Mission

To empower health professionals with the knowledge, skills and relationships to lead health system improvement.

Values

We are committed to excellence in:

- Learning
- Collaboration
- Innovation
- Flexibility
- Caring

CHA Learning is the professional development division of HealthCareCAN, the national voice of Canada's patient care and health research organizations. We recognize the important role lifelong learning and leadership play in the delivery of quality healthcare services.

For 70 years, our programs and courses have helped tens of thousands of health professionals across Canada achieve success in their health leadership careers.
